DysLearn Handwriting Analysis

Class: 1
Test date: 12 Oct 2026
Reference: cc71949b

1. Summary of Results

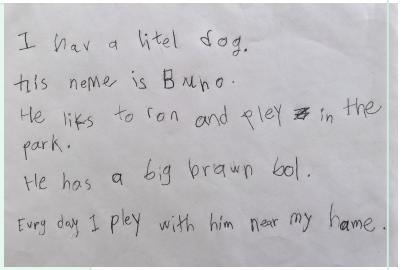

Normal	84 (80.0%)
Corrected	14 (13.3%)
Reversal	7 (6.7%)

Overall Handwriting Score	Performance Category
88.0%	Progressing well

2. Passage Coverage (Class 1)

Expected Passage:

I have a little dog.
His name is Bruno.
He likes to run and play in the park.
He has a big brown ball.
Every day, I play with him near my home.

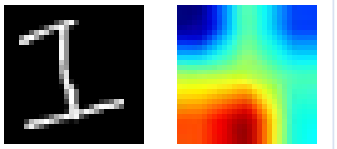

Coverage Details

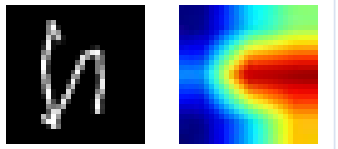

Expected words: **33**

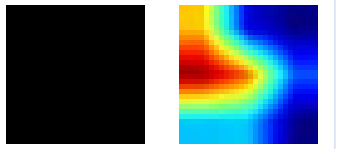

Detected word regions: —

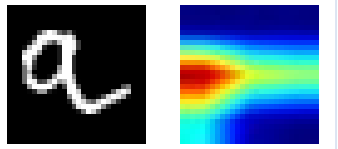

Passage check: **Not available**

Grad-CAM highlights image regions that influenced the model's prediction. It does not prove a prediction is correct or diagnose dyslexia.
